Present: Alec Brander, Wayne Sarson, Ralph Henry, George Bice, Blaine Giles, Jim Whitfield, George Chaffe, Bruce Houtby, Al Hannahson, Robert Normand, Gary McLean

Regrets: Bill Richardson, Dave LeClair

1. Secretary's report from July 10, Acceptance moved by Bruce Houtby and seconded by Wayne Sarson. Carried
2. Treasurer's report . Ralph Henry reported a balance of \$2279.52 at the end of September and will have \$2,000 when all of the bills are paid. Acceptance moved by Jim Whitfield and seconded by Al Hannahson. Carried
3. President Alec had been requested in July to contact all of the golf courses to determine if there was any chance of salvaging anything for the 2020 season, but he received little encouragement
4. Prospects of LARGA golf in 2021 were discussed. At this point we must assume the pandemic will still be with us. Several courses have only 50 carts making golf there difficult. Fear was expressed that we may lose LARGA completely if we don't try to start the tour in 2021. It was suggested we should contact the golf courses to see if they want us in 2021
5. Moved By Bruce Houtby and seconded by Al Hannahson that we contact the golf courses to see if they would accept \$20.00 for golf and \$26.00 for the cart in 2021 with no breakfast. Carried
6. Moved by Al Hannahson and seconded by Jim Whitfield that for the purpose of consistency, only two people should contact the golf courses rather than having all of the reps contacting their courses. Carried.
7. Alec Brander and George Bice will call the golf courses and report back to the executive in two weeks , October 16
