

LARGA MINUTES, NOVEMBER 3, 2022

Present: Alec Brander, Wayne Sarson, Bruce Houtby, George Bice, Jim Whitfield, Bill Richardson, Al Hannahson,

Business:

1. Results of the survey that was emailed to former members were encouraging. 38 of 47 responses were positive. It was moved by Al Hannahson that we proceed to create a schedule for 2023. Carried.

2. The Ladies LARGA was active throughout the pandemic. The lady members walk so they avoided the rules that had to be followed by those using power carts. Wayne Sarson was asked to contact the ladies to find out the details of their league.

3. Alec Brander volunteered to contact Golf North to see if those four courses would agree to the same contract. (Forest, Sand Hills, Arkona and Ironwood)

4. Since Bob Towner's list has 114 names and we remembered 172 Larga Members from 2019, we wanted to clarify the discrepancy. George Bice to contact Bob Towner.

5. There may be fewer Canadians golfing in Michigan since the Beach Tour is no more.

6. We may have different green fees at each golf course.

7. We will continue to collect the green fees by Thursday so we can pay the bill by cheque each week. The cart fees will be the responsibility of the golf course.

8. Adjournment moved by Al Hannahson, seconded by Jim Whitfield. Carried.

George Bice, Secretary
