### **BUSINESS**

1. Since availability of carts has become a serious issue, President Wayne recommended that members should book carts first before they purchase golf tickets. Book your carts early, but have a system where you do not double book. You may be asked for your credit card number.
2. When you submit a cheque for multiple tickets, put all names on the back of the cheque.
3. We desperately need a volunteer for vice-president. If interested, contact Wayne Sarson. It was announced that Charlie Knight is retiring and Steve Baxter will take over at Greenwood
4. Thanks were extended to Bob Towner. More information will appear on our website .
5. Membership. The feeling is that LARGA is working well and we will not try to boost our numbers significantly. 111 members golfed and 103 attended the banquet on Monday
6. Mark and Cynthia Harris were thanked for arranging the closing day and banquet.
7. The LARGA Cup was presented to Don Smith, Rick Crombeen, John Mattingley and Dave MacFarlane. They will receive a free LARGA membership in 2019.
8. Black Creek has been awarded a day by themselves on July 8. Arkona will be July 9.
9. The Huron Shores Optimist Club was presented a donation of \$100 for the use of the hall for our meetings
10. Treasure Ralph reported he began the year with a balance of \$2000 and predicted he would end the season with the same balance. LARGA had 180 members in 2018. \$53,240 was paid out to the golf courses

#### New Business

It was suggested from the floor that we book carts two weeks in advance.

Indian Hills should be encouraged to take reservations for carts as they are probably losing business because of the cart problem

The meeting adjourned at 5:10 pm
